

Royal Entrance | 5602

Aboveground pool step

Compact and practical, the Royal Entrance is specially designed to adapt to aboveground pools 48" to 54" with varying pool floor levels. You'll have peace of mind knowing that the barrier installed under the stair ensures safety while providing ballast. It can also be installed on a pool with no deck with the Classic Ladder 6007 (non regulatory in Quebec) or the Self-Latching ladder 9700.
